Interface:

Code:

Interface: the tab bar is ugly, style it.

Code:

```
<!DOCTYPE html>
<html lang="en">
<head>
<meta charset="UTF-8">
<meta name="viewport" content="width=device-width, initial-scale=1.0">
<title>UI Generator</title>
<style>
    body {
        font-family: Arial, sans-serif;
        background-color: light;
        margin: 0;
        padding: 0;
    }
    header {
        background-color: #333;
        color: white;
        text-align: center;
        padding: 10px 0;
    }
    h1 {
        margin: 20px;
    }
    p {
        margin: 10px 20px;
    }
    .container {
        max-width: 800px;
        margin: 20px auto;
        padding: 0 20px;
    }
    footer {
        background-color: #333;
        color: white;
        text-align: center;
        padding: 10px 0;
        position: fixed;
        bottom: 0;
        width: 100%;
    }
</style>
</head>
<body>
<header>
    <h1>UI Generator</h1>
    <nav>
        <ul>
```

Creating a new web page:

1. I want to make a personal website to show my project. Thus, I filled in my requests in the UI-Generator landing page.

Page Title

My Portfolio

Color Scheme Preferences

Light

Layout Structure & Sections

Responsive gallery view in home page. 3 tabs on the header.

Content

for the portfolio page, there are 4 sections:
1. My CS Project: a software developed using next.js
2. My Art Project: an interactive installation
3. My Game Project: a fps game

Usage

Personal Web Page

Bootstrap

Yes

Additional Information

Generate Code

The 3 tabs on the header should be "Portfolio", "Contact", "About me"

for the portfolio page, there are 4 sections:
1. My CS Project: a software developed using next.js
2. My Art Project: an interactive installation
3. My Game Project: a fps game
*4. My UI/UX Project: an app that sells my art.*

2. After 10 secs, the first iteration of my web page
   was generated.

There were several things I thought could be improved:
1. the tab bar
2. the layout
3. the color
Thus, I talked to the software in the "Open Chat" text field.
